VIEWPOINT'S
2022 STUDENT EXHIBITION**

THE HUMOR AROUND US

Photographs can help us to see humor in unexpected ways. At times humor can be silly, ironic, thought-provoking or surprising. Often humor allows us to see a new perspective. And humor can make us smile or even laugh out loud. For this year's juried show of work by students, find something that touches your "funny bone" or creates a juxtaposition that causes you to see something in a new and unexpected way. Use your creativity to make an image you relate to. You can use a single image, a diptych or a composite for your submissions.

Viewpoint Photographic Art Center invites all college and high school students of photography to submit photographs for an exhibition at Viewpoint Photographic Art Center's Step Up Gallery. This exhibition, entitled ***The Humor Around Us***, will run from April 6, 2022 to May 7, 2022 in conjunction with the Photography Month, which is happening region-wide throughout April 2022.
